FIVE GO TO THE PEN.

Four Robbers Convicted and One Plead Guilty Yesterday.

BUSINESS IN THE COURTS MONDAY.

Two Highway Robbers Convicted and a Thief Pleads Guilty—The Brass Stealing Case and Other Criminal Causes—Civil Business in Other Tribunals.

In Part II of the Circuit Court yesterday, Judge Paull on the bench, the case of Charles Williams and George Curtin, the two colored men indicted for highway robbery, was put on trial to a jury composed of Messrs. M. J. O'Neill, Jacob Keller, John Holmer, Samuel B. Jefferson, Lewis Newman, A. J. Seamon, Elmer Nichols, W. B. Gibson, Charles Sample, Henry Kalbitzer, Thomas B. Smith and Robert Krammie. Prosecutor Howard appeared for the state and Capt. Dovenor for the defense. The evidence showed that the men had stopped Rodenbaugh and robbed him of a \$30 gold watch, a revolver, a pocket knife and a match box on January 12. The indictment accused them also of having been armed at the time with deadly weapons, but there was no evidence to sustain this part of the charge, and substantially by agreement, the jury rendered a verdict of guilty of highway robbery without deadly weapons. Judge Paull sentenced the two men to five years' imprisonment in the penitentiary at Moundsville.

Don Lawrence, indicted for gaming, a misdemeanor, plead guilty and was fined \$25 and costs.

Silas Freeman, the colored man who shot at Dave Grant some time ago, plead guilty to assault and battery and was sentenced to thirty days' imprisonment in jail.

Robert Donaldson, the colored man who robbed H. J. Mendel, of the steamer R. E. Phillips, of \$38, plead guilty to grand larceny and was given two years in the penitentiary.

The case of the State vs. Claude Deviney and "Stoney" Duffy, accused of stealing 500 pounds of brass castings from the Belmont mill, was then put on trial to the same jury that had served before, Colonel Arnett appearing for the defense. The prisoners' story was that they had merely helped an unknown man wheel the stuff up street, and were to get a drink for their trouble, but were arrested by the police while wheeling the cart.

The jury got the case about 5 o'clock and retired to the room. After being out about an hour it returned, and the foreman asked for instructions from the court as to whether a person assisting another to commit larceny was himself guilty. This doubt was set at rest by the judge, and the jurors again filed out. They returned in about twenty minutes and rendered a verdict of guilty.

Col. Arnett at once moved on behalf of his clients to set aside the verdict and grant a new trial, and the prisoners were remanded to jail pending the hearing of this motion. The case was watched with a good deal of interest.

In Part I in the case of Francis Falloure vs. Catherine A. Fry and others, a demurrer was filed in writing. In the case of Mary E. Crawford vs. Maggie Steer et al., an order of sale was entered.

The case of the Great Western Fire Clay Company vs. Robrecht & Gore was tried to a jury.

The jury was out but a short time till it came back and rendered a verdict in favor of the plaintiff for \$350.

The state's witnesses for the Garrison murder case have been summoned for April 25.

The U. S. Court.

The U. S. circuit court was to have tried the case of the boy accused of robbing the street mail boxes yesterday, but Judge Jackson and Clerk Dellicker did not arrive in the city till so late in the afternoon that the case was not taken up, but went over till to-day. The mandate of the U. S. supreme court, reversing the result in this court of the chancey cause of Duflin, of Cleveland, vs. D. D. T. Farnsworth, of Buckhannon, was entered on the record. The pleas in the same parties' suit on the law side have been admitted and the case transferred to Parkersburg for trial at the next term.

High Rates Ruled.

In the police court yesterday May Williams had her case continued till this morning, and the one girl and three men found in her house paid \$5 and costs each. John Wolfe and John Mack were fined \$5 and costs each for their row, and Wolfe paid, while Mack went to the hill for thirty days. R. F. Loffingwell paid \$5 and costs. Two saloon keepers paid \$20 and costs for selling on Sunday, and three \$5 disorderlies completed the docket.

Sent to Jail for Ten Days.

Harry Andersch, colored, who was arrested some time ago and fined by Squire Peterman for illicit cohabitation, and skipped out to Steubenville, returned to the city yesterday and was caught near the Farmers' hotel by Constable Wilcox and committed to jail for ten days to serve out the sentence imposed upon him in lieu of the fine.

They Met by Chance.

A colored man named Abram James, from Harrisonburg, Va., called at police headquarters yesterday and said that his wife had deserted him some time ago at Harrisonburg, and after trying in vain to find her for some time he gave up the search, and shortly after came here to work. Sunday he met his wife on the street, and found that she was living with her aunt in the city and working at Elm Grove. He wanted to know if there was not some way to reclaim her by law. The authorities advised him to let her go on making her own living till he had saved enough to go to housekeeping and then try persuasion, and he seemed to think that was a pretty good scheme.

A MASONIC TEMPLE

May Soon Be Erected on Market Street Just South of Fourteenth.

Another important real estate deal took place yesterday, which promises to result in a great improvement on Market street. Mr. A. W. Paull, as agent of the Masonic Temple Association, bought from Mr. John M. Brown the property on the west side of Market street adjoining Pollock Bros. flour mill on the south. The consideration was \$18,000, included in which is the property next south of St. James's German Lutheran church, on Chapline street south of Fourteenth, purchased some time ago by the Masonic Temple Association. It is to be transferred at its cost—the association to settle the suit it has against the church and the contractor who built the new front.

The Market street property fronts thirty-three feet on that street and runs back to the alley. It is now occupied by Mr. Sawyer's Evangelistic Exchange and a news depot downstairs and an awning manufacturer in the second story.

It is probable that the Masonic Temple Association will build an imposing block on this property, with business rooms on the ground floor, and four stories above, with ample elevators and other modern conveniences.

THE ELKS TO-NIGHT.

A Great Show and a Great Audience Assured—The Parade.

Last night occurred the final full rehearsal of the participants in the programme of the Elk-Cosior Minstrels, which is to be given at the Opera House to-night and to-morrow night. The show will be great in all respects, and from the sale of seats it is evident that the audience will be as great as the show. The stage settings, specially designed by two experts, have never been equaled in this or any other city. Nothing but silk plush and satin hangings are in it. And the jokes are as gay as the surroundings. It is a performance nobody will want to miss.

All the seats for to-night are sold, but there are several good seats still left in Section E for Wednesday night.

The following is the line of march for the great parade of Elks at noon to-day: Form at L. O. O. F. hall; down Chapline to Fourteenth, to Market, to Tenth, to Main, to Twenty-fourth, to Chapline, to Twentieth, to Market, to the Opera House and disband.

ELECTRIC LIGHTS ON.

Another Daylight Test made—New Source of Trouble.

Yesterday afternoon the electric lamps on the second and third circuits of the city system were tested and adjusted where it was found necessary. There are still a number of lamps to be hung. A new source of trouble has been encountered in the longest yard arms on which lamps are swung over the streets. When the very heavy lamps are run out to their ends, many of them bend the long arms, which are not stiff enough to bear the weight. These are the first fifty-foot yard arms tried anywhere. It is found to be necessary to go all over them and prop them up in such a way as to add to their stiffness. There is still small prospect that the lamps will be in use this week.
